

APPROVAL CERTIFICATE

The Working Group Production, Storage and Transport Safety (GEST) of Euro Chlor, after examination of the documents listed in Appendix 1, declared that the valves manufactured by

WT Armatur GmbH & Co. KG - Industriestrasse 5 - D-67133 Maxdorf (Germany)

as described hereafter:

- Are in accordance with the specification GEST 89/140
- And are approved for use with liquid chlorine.

The Approval Certificate is given for the valves manufactured according to PN 40 and ANSI 300 Lbs for the following valve types (WT Armatur references):

- WT Armatur valves models EC 11.35

in accordance with the documents listed in Appendix 1, an original of which being filed by Euro Chlor.

Euro Chlor keeps the right to cancel this approval certificate in case of infringement of the prescription of the GEST specification 89/140.
